

GKC Two-Cylinder Club  
1012 N State Route 7  
Pleasant Hill, MO 64080

**Are you not a 2012 member of the Greater Kansas City Two-Cylinder Club?** We appreciate your interest and wish to welcome you to our club. We have recently made radical changes to our newsletter with a new format and now printing it in color. This is our chance to help you join our club and be a proud member. The club sponsors several events throughout the year at different locations around the metro. One of those great events is the April Meeting and Barbecue. This is a great time to travel to a club members locale to have great food, great conversation, and see other members collections. Another great event is the American Royal Parade. As a group we gather to make the trip through the downtown area and show off our restored, original, or field ready two-cylinder tractors. This past year we received excellent TV coverage, just think you might have a chance to be on TV. Following the parade we have a Trailer-Gate Party (hamburgers, hotdogs, side dishes, and desserts). We have so many club-sponsored events each year all of them can't be listed here. Last year alone we had over 50 events you could attend. With all of the great events all year long, the great food at the events, and the wonderful group of members to share stories or questions with, we think \$25 is a bargain. Won't you consider being a member in the Greater Kansas City Two-Cylinder Club? We have attached a registration form for your convenience.

The Greater Kansas City Two-Cylinder Club was organized in January 1990 and was incorporated in the State of Missouri on May 17, 1994. The purpose of the club is to promote the interest and education of the public in the preservation and restoration of antique tractors, particularly the JOHN DEERE two-cylinder models, their accessories, lore, literature, toys, and memorabilia. Some of the Club functions include parades, tractor displays and shows. The Club manages a tractor pull at Farm Heritage Day at the National Agriculture Center and Hall Of Fame in Bonner Springs, Kansas. The Club also has fun-field days and we participate in the American Royal Parade and the Powell Gardens Harvest Celebration & Antique Tractor Show each year. We have several meetings through out the year to exchange ideas and information. We have a fundraising auction in the fall and produce a newsletter about six times during each year.
