BUCKNER, MO - FESTIVAL IN THE VALLEY PARADE

From the Desk of the Club President:

Fall is approaching with many miles yet to travel. We have been picking up riders along the way throughout the year and at the present time we have 96 members on-board. Our goal this year was 105 (same as last year) so it is still achievable. This year the club has established a budget which is important when functioning as an organization committed to helping non-profit organizations. Along this same line of thought the club has organized a raffle that will be held during our November 6th meeting in Adrian, MO. If you haven't purchased / sold your tickets you may miss out on a good chance to win (1st place — \$500) or (2nd place — 5 @ \$100). Hopefully, this will provide additional funds to help meet our budget. The major activities since the last newsletter included: Tractor Daze (July 8-9) and the Missouri State Fair (August 11). Other activities in the area also took place such as the Lathrop Tractor Show, Adrian Tractor Show featuring Ford, and an assortment of local parades and tractor cruises. Upcoming major events include: the American Royal Parade (September 17) with a trailer gate party, Powell Gardens Tractor Show (Sept. 30 - Oct. 2), and our scheduled Meeting & White Elephant Auction (November 6). It seems the year is moving quickly — I guess that is the way it is supposed to be when you are having fun.

Don Hrabik

Please give him a call in advance so he won't accidentally erase it 816/252-4063.

Dues for 2011

Speaking of club dues, they are \$25. If you haven't paid your 2011 dues yet -- we are still waiting. Dues received at the November meeting will be designated as 2012 dues, so that could be an incentive. We have some individuals who have already paid their 2012 dues, in fact two people are paid up through 2013 — now that is planning ahead. Please check the mailing label on your newsletter. If it says "Paid Member 2010" or earlier at the top, then you will need to pay your 2011 dues to be current. If the mailing label is not correct please let the President know (913/262-5904). If you can't be at the next meeting you can send your dues to Bary Porter as listed below:

American Royal Parade -- September 17, 2011, 10 AM

The 86th annual American Royal Parade in Kansas City, MO is scheduled for Saturday, September 17, 2011 and will start at 10:00 a.m. The theme this year is “Celebrating Kansas City’s Most Authentic Assets”. The unloading and loading area has “CHANGED” from last year. The new place will be at the Governors Exposition Building (American Royal Complex), 1900 Genessee Street, Kansas City, MO 64102. It will be the southwest lot under the bridge. This is the same area where we unload and load tractors for the Western Farm Show. Detailed directions are included with the **mini schedule of events on page 10**. We should be there early (7:00 a.m.) in order to miss the traffic. We will leave the parking lot no later than 7:50 a.m. sharp for the line up because it will be a little further to go to the line up. The club will have a trailer for riders with a banner that says the “OTHER DEARS” and hopefully we will fill it. We plan to use the same American Royal flags as last year for the tractors since they are not dated. Hopefully the weather will be great this time of the year so we can have a large turn out of tractors. A trailer gate party has gone over very well the last five years following the parade, so this year shouldn’t be any different. Mike Corum is planning to bring a large grill that will accommodate hamburgers and hot dogs. Andrew and Jean DuBois are planning to bring the “burgers and dogs”, buns, chips, and condiments. Don and Janice will bring a cooler of water / pop and paper goods. All members who have a sweet tooth can bring the dessert. Everyone who attended last year knows how great it was. Thanks to Bill Eagleburger for arranging the new parking location. If you have any questions about the parking area, please call Bill (816/322-2546) the night before.

Powell Gardens Antique Tractor Show -- September 30 - October 2, 2011, 9 AM - 5 PM

The Powell Gardens Antique Tractor Show is scheduled for Sept. 30 - Oct. 1-2, 2011 at 1609 NW US HWY 50, Kingsville, MO 64061. They are adding a “preview day” this year on Friday, Oct. 1 so the move in will begin on Thursday, Sept. 29. The barrel train rides and hayrides will only be available Oct. 2-3. If you don’t want to arrive by Thursday evening or Friday morning, you are welcome to come as usual on Friday evening or Saturday morning. It would be great if the club could set up on Thursday for maximum exposure. This is always a great show in a great setting with security over the three day event. Other activities sponsored by Powell Gardens will also be a part of the show.

November Meeting and White Elephant Auction -- November 6, 2011, 2 PM

Duane Craig has agreed to host the November 6, 2011 meeting & white elephant auction starting at 2:00 p.m. in Adrian, MO (Frontier Village show grounds). Desserts and snacks are welcome for consumption during the auction. Major topics to be discussed will include: approval of the June meeting minutes, financial report, establish a 2012 Budget committee, select a slate of club officers for 2012, Western Farm Show display, tractor cruise, etc. The raffle drawing will also be a highlight of the meeting. Members wanting to donate items for the auction are welcome to do so. As you know the auction is a fund raiser for the club so look around and see what you could do without and bring it along. Just remember — “someone’s junk may be another person’s treasure.” We also want nice things for the auction. Thanks to Duane for hosting the meeting.

Sugar Creek Parade -- July 4, 2011

The annual July 4th parade in Sugar Creek was well attended by both spectators and tractors / drivers. We had 23 tractors in our unit. I would like to thank everyone who participated in our unit in the parade. Glenn Ratzlaff, 1947 "A" with a Model L manure spreader; Trevor Bedford, 1955 "60"; Lawrence Walter, 1950 "A"; Donnie Miller brought a 1949 "A" pulling a trailer with a Farmal F12 on steel. Vince Turley brought a 1953 "60"; Delmar Seger, 1950 Ford 8N; Wayne Kranz, 1958 Ford 601; Bill Alderson brought 3 tractors: a 1953 Super M, 1953 Allis Chalmers CA, and a 1953 Super C driven by Levi Turley and Troy Alderson; New club member Ron Brittain brought a 1960 John Deere 830 and 1967 IHC 1206; Dan Hanna brought a 1953 Super H Farmall, and an Allis Chalmers D14 driven by Scott Hanna; Ken Hooper brought 5 tractors: a 1944 "B" driven by himself, 1953 Allis Chalmers CA driven by Maxine Hooper, 1945 "B" Farmall driven by Jermiah Mygatt, 1954 Super "C" Farmall driven by Aaron Hooper, a 1947 M John Deere driven by Delbert Hooper; Bob Antes brought a 1946 Farmall "B" driven by himself, and a 1959 430 "U" by his son Gary and grandson Zach Antes; Wes Storm had a John Deere AR in the parade. Mike Neff intended to bring his John Deere "B" but was unable to get it started so he led the parade in his 1926 Chevy Coupe, with Phil Addison as his passenger. Again, I would like to thank everyone who helped in the parade.

Glenn Ratzlaff

Lenexa Parade -- July 4, 2011

A group of club members participated in the Lenexa Parade on July 4th. The parade route went through residential area as well as going down main street which accommodated thousands of spectators. Club President Hrabik and his wife, Janice, also participated in the parade with their Military Jeep. Club members in the parade with tractors included: Joe Meyer (JD 730), Duane "Spike" Spieker (JD R), Paul Antes (JD 630), Jay Pruettt (JD B), Earl Knuth (JD 430), Richard Miller (JD 430), and Justin Read and Dalamar (JD H with wagon). This is one of the largest parades in Kansas. Thanks to Paul Antes for organizing the tractors and helping make the parade even bigger this year.

Cass County Fair Parade -- July 16, 2011

The Cass County Fair Parade was held in Pleasant Hill, MO on Saturday, July 16th starting at 9:00 a.m. It was a short parade on a pleasant day. Club members in the parade included: Bob Surber (JD 730), Ron Brittain (JD 830), and Charles Eagleburger (JD A) with Terry Engle riding on a wagon. It was reported the tractors were ahead of the horses whatever that was worth. It could mean cleaner tires.

Tractor Daze -- July 8-9, 2011

Past Event News

Tractor Daze at the National Agricultural Center and Hall of Fame was held on July 8-9, 2011 with Friday designated as setup day. This year the Antique Caterpillar Club and the Antique Truck Club joined with the GKCTCC to provide many interesting and fun activities throughout the weekend. Activities taking place included: dirt moving and plowing on Friday and Saturday, with a large tractor pull, garden tractor pull, two pedal tractor pulls, static tractor display and Parade of Power showcased by the GKCTCC. Individuals winning the plowing contest included: Austin Chapman (1st place), Greg Coker (2nd Place) and Glenn Ratzlaff (3rd Place). Other displays included independent organizations and companies displaying new equipment. It was a great weekend to come out and enjoy the day even though it was a little on the warm side. The large and garden tractor pulls were successful because of a large turn out of pullers along with many spectators interested in the competition. The pedal tractor pulls were also successful because many kids liked the competition in the air conditioned barn with their parents cheering them on. The static tractor display (approx. 21) showcased a variety of tractors with John Deere making up the majority. Thanks to everyone who helped in one way or another to make the weekend an over whelming success.

Missouri State Fair Parade -- August 11, 2011

WOW! What a parade with 18 tractors in action on a beautiful day on Thursday, Aug. 11th at the Missouri State Fair in Sedalia, MO. The parade started at 6:00 p.m. with a variety of floats, bands, antique cars, motorcycles, tractors, and moooooore tractors. There seemed to be a large crowd this year probably due to the nice weather. Club members and others bringing tractors included: Miles Wolfe (Oliver 1900), Steve Eagleburger (JD A), Charles Eagleburger (JD B), Wendell Starkebaurn (JD 530), Jim Arnote (JD 420), Andrew DuBois (JD A), Bill Eagleburger (JD 320), Dan Hanna (Farmall Super H), Don Hrabik (JD 430 W), Glenn Ratzlaff (JD A), Lawrence Walters (JD 60), Harold Kurzweil (JD 630 Row Crop), Jason Kurzweil (JD 630 Wheatland), Wes Storm (JD AR), Jared Arnote (JD B), Ronald Brittain (JD 830), Doyle Brittain (Farmall 1206), and Mike Corum (JD 730). Following the loading of the tractors the group enjoyed a buffet dinner at Ryan's restaurant. Guess who hit a coyote on the return home — the answer will be available at the American Royal Parade on Saturday, Sept. 17th. Thanks to everyone for coming out and enjoying the afternoon and evening.

MO STATE FAIR PARADE

P.S: Bill Eagleburger received a telephone call indicating the club won 1st place in the parade. Again, WOW!

Platte County Tractor Cruise -- August 12, 2011

A small group of East Side Tractor Guys participated in the Platte County Steam Engine tractor cruise on Friday, August 12, 2011. The small group included: Dan Hanna (Farmall Super H), Lawrence Walter (JD 60), George Reed (Oliver 66) and Glenn Razlaff (JD A). The tractor cruise left Tracy, MO and headed east to avoid the flood around the Missouri river. The area was very pretty, the corn and soybeans looked good and then the rain started. We drove through rain squalls all morning. We all had umbrellas which really helped. After our noon break, the leader of the cruise was unable to restart his tractor due to the rain. He solved that problem by taking his son off his other tractor and took off to continue the cruise. The weather improved in the afternoon with sunny skies. This will be the 3rd tractor cruise that we got rained on this year. If you need any rain just schedule a tractor cruise with us and it will rain. Our tractors all ran good although Dan had quite a fight with his umbrella, but was finally able to get it stabilized. He even resorted to wearing an Arkansas rain suit (trash bag).

Glenn Ratzlaff

Overbrook Parade -- August 12, 2011

The GKCTCC was represented at the Overbrook, KS Parade on Friday, August 12. Phil Addison drove Wes Storm's JD 420, Wes Storm drove Steve Suchsland's JD H, and Steve Suchsland drove the K-State Purple JD D. Riding on the D were John Diddie and Sabrina Rasa from Overland Park, KS, and Luke and Thaddeus Friese from Hoxie, KS. It was a fitting end to a long hot summer as rain fell from the skies during the entire parade. Drivers, riders, and tractors received a nice shower. It was also discovered that some candy wrappers were not water proof. Despite the rain, everyone had a good time.

Steve Suchsland

Buckner Parade -- August 13, 2011

The Eastside Tractor Boys had a great time at the Buckner Festival In The Valley on Saturday, August 13th. Several members represented the Two-Cylinder Club in fine fashion. Wes Storm brought his JD 630, Glenn Ratzlaff with his slant dash JD A, Lawrence Walter drove Glenn's JD 60 (or should we say Linda's), Don Miller had his JD A, Jerry Lee drove his JD B, along with his wife Bev, Kenny Read had his pristine JD 420 vegetable, Justin Read along with Dalamar drove a JD 330 Industrial, Ron Brittain with his JD 830 D, and Ron's Uncle Doyle, driving Ron's Farmall 1206 and Dan Hanna on his Farmall Super H. The judges failed to see the quality of our entry in the parade and did not give us a Trophy! Oh well, we sure did have fun. It was probably confusing to them with the Red and Green Tractors mixed together. A question was generated at the beginning of the parade: How many men does it take to push a Farmall Super H uphill?

Dan Hanna

Western Missouri Antique and Machinery Steam and Gas Engine Show (Adrian, MO) -- June 24-26, 2011

All Ford and Fordson Tractors and related equipment were featured along with all brands of Lawn and Garden Tractors being co-featured this year. There was a variety of tractors on display during the weekend with many of our club members showing and attending on Saturday. Saturday morning the show got a little wet when a thunder-storm passed over but didn't last long — the rest of the day was great. A wide variety of activities took place during the 3 day weekend. A few of the highlights included tractor pulls, anvil shoot each day at 12: noon, parade of power (Sat, and Sun.), kid games, contests (bail throwing), (2 person sawing) (blind man driving), and many other activities. After viewing the bail throwing contest it was quite obvious that the club's cookie lady is better at baking cookies than throwing straw bails. Many of the club members participated in the Parade of Power as evidenced by the pictures.
