

GREATER KANSAS CITY TWO-CYLINDER CLUB

JULY - AUGUST 2014

VOLUME 2014, ISSUE 4

[HTTP://WWW.GKCTCC.COM](http://www.gkctcc.com)

CHARLES EAGLEBURGER -- APRIL 2, 1928 - JUNE 22, 2014

From the Desk of the Club President:

Summer has arrived, this is a great time of the year.. We have had quite a bit of rain and the farmers are sure glad to get the moisture, I'm sure the rest of us have been very busy mowing grass once or twice a week.

We had a good meeting and meal at the Ag Hall on June 1st, There was plenty of fried chicken, meatloaf, finger foods, and desserts. You who were unable to attend missed a great time. Several were able to attend the Shawnee parade, a little rain early, but the Parade was dry, lots of children, and smiles. We won first place, see Jay for information and pictures. Last week several went on a Tractor Cruise at Lathrop, it was a surprise on the length of the cruise, 64 miles I think, but was enjoyed by all. Someone had a flat tire as rumor has it. Thanks to all those who represented the club at these events.

Next on our agenda will be the Swap meet, Tractor Daze, Tractor Games, and Petal and Garden Tractor pulls at the Ag Hall on July 11th and 12th. We need everyone to bring their tractors and participate. We will need several volunteers to make this a successful two day event. The Ag Hall is now on solid footing and we need to help keep it that way.

Please mark July 19th on your calendar and plan to attend the Ratzlaff equipment and toy sale, see the sale bill on Page 7.

A note of sadness this past week as one of our Members passed on. Charles Eagleburger will be missed and we all want to remember Gloria and her family in our thoughts and prayers.

The Missouri State Fair parade will be on August 7th, this has always been a very important parade, If you have never been to it, you are missing a great time.

Please help our club grow, invite your friends to come and participate in our events, we need to grow our membership, we need more young people to become involved and help keep up our traditions.

Talk with your club officers and lets all become more involved.

Wes Storm

2014 Club Officers

Due to Don Hrabik stepping down as President, the board has appointed Wes Storm as President. Listed below is the current officers for 2014:

President:	Wes Storm	1st Vice President:	Dan Hanna
2nd Vice President:	Joe Meyer	3rd Vice President:	Ron Brittain
Treasurer:	Jay Pruett	Secretary:	Justin Read

Note : As you may know or may not know Glenn Ratzlaff, our former club historian, passed away as a result of a car / tractor accident during the Independence Halloween Parade on Oct. 26th. Bary Porter is our new historian. If you have pictures of any club activities please send them to him. It is important to put information on the back of the pictures regarding the specifics of the event (Event, Date, People Present, and a Short Description).

Dues for 2014

Speaking of club dues, they are \$25 a year and worth every penny. The award winning newsletter every two months and the great activities make it a real value. Please check the mailing label on your newsletter. If the label says "Paid Member 2013" or earlier at the top, then you will need to pay your 2014 dues to be current. If the mailing label is not correct please let the Treasurer know (913/302-1273 or jay70nc@yahoo.com). A number of members who attended the April and June meetings paid their 2014 dues. We will be collecting dues throughout the year. If you can't be at the meeting you can send your dues (\$25) to Jay Pruett as listed below.:

Jay Pruett - Treasurer
GKC Two-Cylinder Club
5334 Bond St.
Shawnee, Kansas 66203

Trivia: What was the first John Deere tractor to have an upright (inline) two-cylinder engine? What are the statistics? (Weight, cost, speed, engine specs, production numbers, and horsepower). See Page 8 for the answer.

Club Website and Newsletter

The club website <http://www.gkctcc.com/> counter was reset in July of 2012 (it currently reads over 5600 visits). The Webmaster(s) continue to do a great job of putting it together and keeping it up to date. The web site gives our club world wide recognition along with reaching prospective members. Checkout the articles, pictures, Tractor Daze Flyer, and Glenn Ratzlaff Auction Sale Bill. We are looking for member stories for future issues of the newsletter. If you have any, please contact Secretary Justin Read at 10219 Forest Ave., Kansas City, MO 64131, 816-547-8608 email: onsitetechn@mac.com

Tractor Daze / Touch-A-Truck / Swap Meet -- July 11-12, 2014

Tractor Daze / Touch-A-Truck is scheduled for Saturday, July 11-12, 2014 (9:00 a.m.) at the National Agricultural Center and Hall of Fame in Bonner Springs, KS. All the activities will be built around tractors in hopes of generating more interest. Our club plans to have a tractor display, parade of power, a garden tractor pull, two pedal tractor pulls and tractor games. In addition to the tractor activities on Saturday ONLY the plan is to have a swap meet with set up on Friday morning and then be open from 12 noon to 6:00 p.m. and then again on Saturday from 9:00 a.m.-4:00 p.m. for all activities. Other activities are being scheduled by the Ag. Hall. This year again there will be a self-propelled sled (Old Yeller) for the garden tractor pull. They will need approximately five people to assist them. Hopefully with everyone working together we will have a successful day.

Missouri State Fair Parade -- August 7, 2014, 6 PM

The Missouri State Fair Parade will be held Thursday, August 7, 2014 starting at 6:00 p.m. We will again be convoying from the weight station on highway 50 in Lone Jack, MO leaving at 3:00 p.m. Unloading and loading area will be the same as last year (50 Highway and State Avenue). The past few years we arrived around 4:00 p.m. which is plenty of time for unloading and line up (4:30 p.m.) This is a fun parade because of a lot of spectators.

American Royal Parade -- September 27, 2014, 9:45 AM

The American Royal Parade in Kansas City, MO will take place on Saturday, September 27, 2014, at 9:45 a.m. During our last club meeting in June it was discussed that we would use the same flags as last year since they aren't dated. It is anticipated we will use the "OTHER DEARS" banner again this year. The theme this year will be honoring the military again "A Star Spangled Salute". The parade will start at Union Station and go through the Power and Light District. We plan to have a trailer gate party again following the parade. It is anticipated we will use the same parking area (American Royal Building) as in years past. Hope to see you there. Remember to wear your 2013 Ag Hall sweatshirt or military colors for this.

Electronic Delivery of the Club Newsletter -- www.GKCTCC.com

We are offering to send an email notifying members the newsletter is available on the website. If you would like to receive the newsletter electronically, instead of via the USPS mail system, please let us know: onsitetechn@mac.com or jay70nc@yahoo.com. We will add your email address to the list to notify members when it is available via the website.

June GKCTCC Meeting -- June 1, 2014, 1 PM

The club met on Sunday, June 1, 2014 at the Ag Hall which included a picnic (1:00 p.m.) and a meeting (2:00 p.m.). Attendance (21) was light but the food was great as usual. Topics discussed during the meeting included: Tractor Daze / Touch-A-Truck, approval of April meeting minutes, financial report, Glenn Ratzlaff memorial scholarship, overview of the Tractor Cruise and a raffle that will help fund the scholarship. Thank you to everyone for coming and bringing the delicious food. Door prize winners included Bob Surber, his wife Debbie Surber, and Dalamar Read.

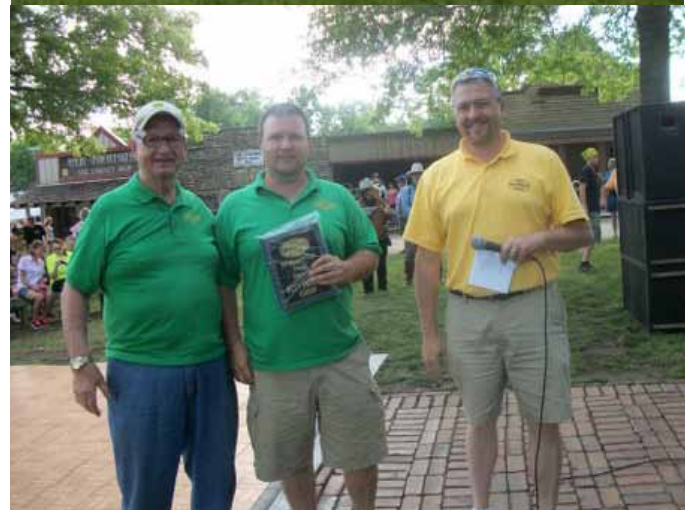

Old Shawnee Days Parade -- June 7, 2014

Eight tractors took a wet ride to represent the club in the Old Shawnee Days parade Saturday, June 7 in Shawnee, KS. The weather cleared up and was almost dry by parade time. The crowd was a little lighter than usual, but those attending waved at the green and yellow tractors as they headed up Nieman Drive and then turned west on Johnson Drive. Mike Thompson, Chief Meteorologist from Kansas City's Fox4 News was in the viewing stand to judge the parade. Mike must like green as the club was awarded First Place in the "Best Vehicle Group" category.

In attendance was Joe Meyer (JD R), Bob Antes (JD 530), Jay Pruett (JD 530), Jim Arnote (JD 420), Jared Arnote (Unstyled B), Ron Brittain (JD 830), a friend drove Ron's 1206 Farmall, Wes Storm (JD D), and Don Hrabik (JD 430).

Charles Eagleburger -- April 2, 1928 - June 22, 2014

A long time member of our Club recently passed away. Charles was born in Marshfield, MO, graduated from Willard High School in Willard, MO, and was a decorated veteran of the Korean War, earning two Purple Hearts. Charles was later employed as a truck driver and bus driver. We will miss him dearly. Our prayers are with his loving wife Gloria and their family.

Sept. 27	Kansas City, MO	American Royal Parade, 9:45 AM
Nov. 2	Louisburg, KS	GKCTCC Meeting and White Elephant Auction at George Reed's Farm

Trivia Answer:

The 1937 John Deere Model 62, later becoming the 1938 John Deere Model L. Experiments with the Model Y tractor paved the way for the John Deere Model 62 Tractor. Production of the Model 62 began in March 1937. Seventy-nine Model 62 tractors were built. Seventy-two were actually shipped from March thru July of 1937. Later in 1937 the Deere Tractor Company brought out it's John Deere Model L tractor to replace the Model 62. A Hercules NXB engine was used in tractors serial # 625000 to 634840 and had a larger cid. They had a bore and stroke of 3 1/2 x 4 inches. Beginning at serial # 640000 a John Deere built engine was used. The main difference between the Deere engine and the Hercules was that the Deere engine had a one piece casting for the block and clutch housing. Plus it had provisions for a starter and generator. The transmission was an automotive type with 3 forward speeds.... 2 1/2, 3 1/2 and 6 miles per hour. 1938 L specs are: Bore/Stroke : 3.25" x 4", Displacement: 66.4 ci, Rated RPMs: 1550, Drawbar (HP): 7.01, Belt (HP): 9.27, Plows: 1 (12-inch), Weight (pounds): 1,515, Length: 91", Width: 49", Height: 57", total built: 13,365. Nebraska Test Number: 313 on November 4, 1938, Belt HP: 10.42, Drawbar HP: 9.06, Max pull (pounds): 1,235. A new 1940 Model L cost \$477. A new 1946 Model L cost \$516.75. A new 1946 Model LA cost \$577.25.
