2015 AG HALL TRACTOR CRUISE - MAY 2ND, 2015

From the Desk of the Club President:

Spring is here, the kids will soon be out of school, gardens are starting to grow, and I have noticed that you can row (see) a lot of corn [starting to pop out of the ground] now. It has been a busy couple of months for the club.

In April we enjoyed a great meal and meeting at Overland Tow. Joe and Lori put on a great spread with their BBQ and the side dishes that the members brought. Those of you who missed the meal should plan on attending next year.

On May 2nd we enjoyed a great day on the Tractor Cruise. The weather was pretty good thanks to those who had an in with the weatherman. Joe, Frank, and Don did an outstanding job setting up the route and planning the event. We had about 50 tractors and a Model A participate in the cruise. We enjoyed a great lunch at the winery with ham and beans, cornbread, and cole slaw, along with blueberry and peach cobbler for dessert. The route was very interesting with lots of visitors along the way. It included stops at the Elm Grove Baptist Church, Holy-Field Winery, Orscheln's, and Cabela's, where people of all ages could view the tractors and visit with the drivers. Everyone enjoyed Roscoe's BBQ meal after the cruise. We were able to donate about \$7,000 to the Ag Hall.

We have several events coming up; Tractor Show and Meeting in Louisburg, KS and the Tractor Daze / Touch-A-Truck show at the Ag Hall in July. Later on we have a Tractor Show at the Missouri State Fair and the American Royal Parade. Plan on being a part of these events. Remember that this is your club and we need your participation to make it a success.

April GKCTCC Meeting Minutes
April 12, 2015 1 PM at Overland Tow
Attendance: 51

President Wes Storm opened the meeting with the flag salute.

Dawn Gabel, Ag Hall Director, was introduced. She talked about major projects at the Ag Hall and the activities for the year.

President Wes Storm asked to approve the February meeting minutes as presented in the newsletter. Bryce York moved. Ron Brittain seconded. Motion passed.

Jay Pruett, Treasurer, presented the Treasurer's report. Ended 2014 with \$8,063.60. As of March 31, 2015 we have \$9,013.30. He detailed expenditures along with revenue collected. Justin Read moved to accept the Treasurer's report. George Read seconded. Motion passed.

The President asked if any guests or new members were present. John Cunningham, friend of Don Hrabik was introduced. Jim Arnote mentioned that Jay Arnote, his son, is standing in for his grandson, Jared, who is a member but is at K-State. Bary Porter introduced his mother-in-law, Louise Beghtol. Welcome to all the guests.

The President mentioned we had 13 members who get the newsletter by e-mail. Anyone who is interested in doing that please let Justin or Jay know.

Talked about the Western Farm Show display. The President thanked Dan Hanna, George Reed, Jan Garber, Richard Thompson, and Bary Porter for providing the tractors, toys, quilts and pictures. It was a very nice display.

Frank Van Fleet discussed the Ag Hall Tractor Cruise that will take place on May 2, 2015 in Bonner Springs, KS. Everything is going as planned for the 36 mile cruise. He identified the stops with the return to Ag Hall around 4:30 p.m. with dinner at 5:00 p.m. Anyone who hasn't turned their paperwork in needs to do so. The group decided to go with the sweatshirt following a short discussion. Twenty-seven people signed up so far, so need to rattle the bushes for more takers.

Discussed the 2015 Schedule of Events and any changes that need to be made. Justin Read moved to accept the list as published in the last newsletter. Bryce York seconded. Motion passed.

The Tractor Cruise at Powell Gardens was discussed. President Wes Storm mentioned that he visited with them regarding this and they mentioned they would not be able to support the cruise. There will not be a tractor cruise along with the tractor show in October 2015.

Tractor Days / Touch-A-Truck on Sat, July 11, 2015 was discussed. We will discuss it more at the May meeting. It is the 50th anniversary for the Ag Hall so we need to have a lot of tractors show up. Still looking for more 1965 tractors for the 50-year display. Everybody should bring their tractor --- all colors welcome.

The Tech Sessions took place earlier in the day at 10:00 a.m. Topics were focused on carburetors and magnetos. Kenny Read provided the equipment and Leigh Arnett provided the expertise. No paper tests followed the demonstrations. Sixteen people were in attendance.

Purchase of a new club tent was discussed. Funds are available and the Treasurer will help make that happen. Dan Hanna did research on size and makeup of the tent. Don Hrabik moved to purchase tent (10 x 20) with logo for \$500, Herman Sasche seconded. Motion passed.

Ladies Night Out was discussed again as in the past. If any ladies want to step forward and plan an event please step forward. No one saw "slippers" on the ground.

The Missouri State Fair was discussed. Rather than be in the parade this year the club will participate in a tractor show with Miles Wolfe.

Jan Garber discussed the Paola Garden Tractor Show which is the 31st of this month. It will be held at the Industrial Park. He also discussed the Louisburg Show which will feature John Deere. The club June meeting will be held there.

Jan Garber introduced Nicole Borghardt, Regional Territory Manager for Haggerty, who talked about insurance for collector cars and tractors.

The President thanked Joe and Lori Meyer for being our gracious hosts today. Jan Garber made a motion to close the meeting. Bary Porter seconded. Motion passed. 1:51 PM

Door prizes were won by Joe Meyer, Paul Antes, Dan Hanna and Kenny Read.

Following the meeting a delicious barbecue dinner was enjoyed by all.

Trivia Answer:

The 1928 Model GP had an exclusive first feature.... A mechanical lift operated by a foot pedal. The mechanical lift was a John Deere first and quickly became copied by other tractor manufacturers. The original GP was rated at 10 hp at the drawbar and 20 hp at the belt pulley. In 1931 the big bore engine was introduced on GP Standard serial number 224100. It had lower compression but a larger bore, producing more power with better fuel economy. The lower compression eliminated the pre-ignition (knocking) problem when using low-quality fuel, so the water-injection system was eliminated. Total built: 30,535 GP Standard, 5,103 GP Wide Tread, 717 GPO (Orchard) - 24 GPO were converted to crawlers. Price New: \$1,200 (1931)
