

2019 Ag Hall Tractor Cruise
Sponsored by:
The Greater Kansas City Two Cylinder Club

March 1, 2019

Dear Cruise Member,

Time is quickly approaching for this year's annual Tractor Cruise on May 4, 2019. The Greater Kansas City Two-Cylinder Club has been working very diligently to make this year's cruise a quick out and a quick back (24 miles) with an exciting stop at Cabellas for lunch. During lunch, the door prize drawing of Cabellas gift certificates will be presented for a little shopping after lunch. This will be the eighth year for our beneficiary, The National Agricultural Center and Hall of Fame.

This year the starting and ending location will be The National Agricultural Center and Hall of Fame in Bonner Springs, KS. You will need to get your registrations in early to assure yourself a spot for this year's event. They should be turned in by **April 15th**. The reason for the deadline is that we have to order supplies for the event. The pledge sheets can be turned in the morning of the event at the registration table just like in year's past.

We want to emphasize that each Tractor Driver should have at least \$100.00 in pledges, so that we can meet our goal of \$10,000 to give to the Ag Hall. With your help, we have raised over \$155,000 during the past twelve years for beneficiaries. So get your buddies together and get registered before it fills up!

We will have check-in that morning starting at 7:00 am and will have a drivers meeting at 8:00 am in front of the Ag Hall. Refreshments / snacks will be available through out the day and lunch will be provided by Cabellas. If you plan to have a guest for lunch , **WE NEED TO KNOW** they will be eating so we can plan for the number of people eating. Only drivers and their registered guest, with a \$12 meal ticket, will be able to eat lunch. When we return to the Ag Hall area around 3 to 3:30, we will have snacks available during load up.

Parking will be provided in the Ag Hall parking lots. A map is included on the back of the flyer. We are looking forward to seeing you at this year's event. You won't be disappointed in this year's cruise.

See you on May 4, 2019.

Respectfully,

Joe Steineger, Tractor Cruise Chairman
